Wesleyan Mission, Mysore City. October 6th. 1904

To The Secretary of the
Government of Mysore.

Sir,

I have the honour to thank you for copy of Government Order, No. 1851-2 / 2441-01 dated 10th. August 1904, regarding the upstairs house on the Victoria Girls' School site. Soon after receiving it I had a letter from the Vice President of the Municipality, asking me to forward,

(1) Rs.655 alleged to be due on the site, and also

(2) Rs. 750, if I wished the upstairs house to be acquired.

I felt sure that this was a wrong interpretation of the order and I drafted a long letter showing its injustice in the event of my NOT wishing to have the upstairs house. This letter however I did not send, but in accordance with his letter I sent the Rs.655 as a temporary settlement, as I knew I could again refer the matter to Government.

I subsequently had reason to believe that the Vice-President had without doubt interpreted the order incorrectly, and on September 8th. I wrote to him asking him to be good enough to apply to you for a clear interpretation of the Govt. Order, so that the money sent might be refunded to me. I have this day received his reply dated October 4th. refusing to refer the matter to you as in his judgment the order is clear.

Under these circumstances I am compelled to ask you to be kind enough to send a clear ruling of the order of August 10th. referred to above, so that there may be no doubt on the subject.

Apologising for troubling you,

I have the honour to be, Sir,

Your most obedient Servant,

George W. Sandys

Rev Sir,

With reference to your letter of the 6th Oct 1904, I have the honor to state that as proposed by you & accepted by the President of the Mysore city Municipality you have to pay a rupee for each square yard of ground given over to you for the construction of the Victoria Girls' school at Mysore. If you want the upstair house which adjoins the school, you have to pay a moiety of the cost of its acquisition, that being 750 Rs. The President enjoined till when he was to wait for this moiety. He was informed that he might take steps for the acquisition of that house when you paid the moiety due by you
